HOUSING:

We seek a 3 bedroom under \$1,000 a month and have had the best luck in Kenner given that the cost of living is lower than in New Orleans proper. If you know of anyone that has a rental or can spread that word that would be great. Please contact Lillian Alvarez at lalvarez@ccano.org, 504.310.8785 - or one of our case managers, Hady Sharaf at hsharaf@ccano.org.

We need access to the new housing to set up furniture/clean a few days before the families arrive.
